

## Izzy Dolls – Knit Version

The basic method for making each doll is the same. Begin at the feet and knit a rectangle, changing yarn colours for each body segment. The number of rows in each part of the doll can be increased or decreased depending on the individual design. Finished height of each doll is approx. 5 inches

### You will need:

Small quantities of DK (sport weight, #3) yarn  
1 pair of 2.25 mm knitting needles  
Tapestry (yarn) needle  
Polyester toy filling

### To make:

Working stocking stitch throughout:

Cast on 32 sts

Work 4 rows for feet, change yarn

Work 14 rows for trousers, change yarn

Work 8 rows for sweater, change yarn

Work 8 rows for face, change yarn

Work 11 rows for hat as follows:

Rows 1-4: Work evenly in stocking stitch

Row 5: Decrease 5 sts evenly in stocking stitch across row

Row 6: Work evenly in stocking stitch

Repeat rows 5 & 6 twice more

Row 11: (K1, K2 together) 9 times

Draw yarn through remaining sts, pull tight and fasten off, weaving in end.

Sew sides together to form a centre back seam, stuff body. Weave a strand of matching yarn across the first face row, draw up to form neck and secure ends.

Repeat for body, drawing in to form feet.

With matching yarn, form arms with small backstitches through all layers from waist to 2 rows below neck.

Define the legs in the same way from bottom to a little below waistline

Embroider facial features, giving your doll a little smile.
